

April 5, 1973

PRESIDENT: All right. Now, Senator Marsh, did you wish to be recognized? We are going to lay the bill over.

SENATOR MARSH: Not if you are going to lay the bill over.

PRESIDENT: All right. Thank you. That's nice. Any objections to laying the bill over and the amendment will be printed in the Journal. We will have that...Ok, we will bypass 319. Laying it over. We will move on to LB 443, then. Senator Cavanaugh.

SENATOR CAVANAUGH: Mr. President, I move that LB 443 be advanced to E & R for engrossing.

PRESIDENT: Motion is to advance LB 443. All those in favor of advancing the bill from Select File, please say aye. Those opposed say no. So ordered. The bill is advanced.

SENATOR CAVANAUGH: Mr. President, I move the adoption of the E & R amendments to LB 207.

PRESIDENT: Motion is to adopt the amendments to LB 207 on Select File. All those in favor of the motion, say aye. Those opposed say no. So ordered. The amendments are adopted. Do we have another amendment on the desk?

CLERK: OK. Mr. President, Senator Barnett offers to amend... moves to amend the bill by inserting a new paragraph. The amendment that he is offering is found on Page 1027 of the Legislative Journal. Read. I assume that is the end of the amendment. The thing I have goes on, this amendment is submitted because of the broad language used in Section 13, Page 2 of this bill.

PRESIDENT: Senator Barnett.

SENATOR BARNETT: Mr. President, and members of the body, I don't know what the hold up was. I understood Senator Stahmer was to get a Attorney General's opinion of some kind or some what..I haven't heard from that. I haven't heard what the Attorney General's opinion is. I don't like the idea of having to move it in front of him, but I think it is time we settled down with this issue and try to decide whether we want it or not. As you read in the Journal, it is with regards to children that are of a certain belief and a certain faith, and I think that it deserves the attention of this body. We go in to the discussion on it every time and that's entirely welcome with me. I don't care. I think we have discussed it everytime that we have brought this bill up, and this is wanted by the Christian Science faith and I promised to try and get the amendment put on the bill for them. Therefore, I would move for the adoption of the amendment.

PRESIDENT: Any further discussion of the amendment, now. The question is shall the amendment be adopted. All those in favor vote aye. All those opposed vote no. You are voting on the adoption of Senator Barnett's motion..amendment to LB 207 on Select File. That amendment does require 25 votes. The chair is not in a position for lobbying for those votes. What page is it, Vince.. Once again, have you all voted? Thank you. The clerk will record.

CLERK: 26 ayes, Mr. President, on the motion to adopt.

PRESIDENT: The Barnett amendment is adopted. Are there other amendments, now, to the bill? Very good. Senator Barnett, for what purpose do you rise?

SENATOR BARNETT: Is it automatically be advanced now, or what?

PRESIDENT: Ya, well, Senator Cavanaugh, will move it on. Thank you. All right. Senator Cavanaugh, back to you.
